

brighten the breast centre

an initiative by volunteers to provide extra amenities for patients

7 April 2011

Dear Liz

On behalf of our fund-raising group, Dr Kamyab and I would like to thank you very much indeed for your very generous contribution to our fund raising events with Jeffrey Archer last week.

Without a doubt, the *Pavilion2* package was our major item and with your help, we raised \$29,000 overall which will go towards purchasing much needed items for the Centre, such as modern examination beds. I hope you'll soon hear from the successful bidder - Simon Henderson – and that he'll make a booking for an extended stay.

We've been overwhelmed by the generosity of people contributing to our inaugural fund-raising venture and now feel encouraged to continue in the hope that one day we'll have a stand-alone, state-of-the-art Breast Centre at the Hospital.

Again, many thanks for your wonderful donation and support.

Kind regards.

**Patricia Rust**  
*Volunteer Co-ordinator for Fund Raising*

**Dr Roshanak Kamyab**  
*Director & Consultant Surgeon, Breast Centre,  
Sir Charles Gairdner Hospital*
